AXIS ARMIES IN EGYPT DRIVEN INTO TEMPORARY RETREAT

Rommel Suffers His First Defeat Since Capture of Tobruk

By ROGER D. GREENE, Associated Press War Editor

Britain's Egyptian armies clashed with the Axis in violent battle west of El Alamein again today after driving Field Marshal Erwin Rommel's Africa corps into at least temporary retreat in the three-day-old "battle of the bottleneck."

Dispatches from the front said the British, rallying at the eleventh hour, were striking furiously at the Axis invaders.

Details were lacking as to whether Rommel had returned after withdrawing last night or whether the British, seizing the initiative, were pursuing the Axis forces.

Dispatches said the German-Italian mechanized armies retreated three or four miles to regroup after the initial repulse.

A bulletin from British Imperial headquarters said Rommel's army "withdrew to the west, leaving our positions intact," after a fierce tank battle last evening at El Alamein, less than 70 miles west of Alexandria.

NEW BATTLES ERUPT ALONG SOVIET FRONT

Enemy Suffering Tremendous Losses in Series of Engagements in Central And South Sectors

MANY TANKS ENGAGED

BY HENRY C. CASSIDY

Moscow, July 3.—(P)—The greatest tank battle of the current German offensive, with hundreds of machines engaged on both sides, is in progress east of Kursk while 75 and 100 miles to the south Nazi shock troops are attempting to outflank and separate the Russian central and southern armies. Soviet military dispatches reported today.

The battle on the Kursk front began Wednesday with an attack by about 200 German tanks, the dispatch said.

These were hurled back, and then the real mass engagement began later that day.

The Germans have suffered tremendous losses, and in the thick of battle the Red Army has managed to increase the fortifications of its already strong positions, said Red Star, the army newspaper.

Few details were given, but the Russians were said to have recaptured several villages.

(German and other Axis troops have broken through the Russian front on a width of nearly 300 kilometers (about 185 miles), the German high command said.

(The communiqué did not locate the section of the front involved.)

(Of the fighting in the Sevastopol.)

ARMY WAR SHOW TO OPEN AT PITTSBURGH

Pittsburgh, July 3.—(P)—The army war show, hailed as "the best show on earth," begins a six-night engagement in the Stadium tonight with 1,600 crack American soldiers participating in 100 minutes of drill and mimic battle featuring the most modern military equipment.

Smartly stepping infantrymen, mounted cavalrymen and the mechanized units with guns, jeeps, tanks, tank destroyers, flame throwers, anti-aircraft fire and searchlights will stage a spectacular dramatization of what twentieth century warfare is like.

Opening tonight's performance will be a special ceremony in which Pittsburgh's "Production Soldiers" will present the war show task force with a flag to be used throughout the remainder of its nation-wide tour as the unit's official colors.

WAR BULLETINS

Berlin (From German Broadcasts), July 3.—(P)—Five British bombers made a daylight raid yesterday on Flensburg, German communications and industrial center, at the Danish border, inflicting some losses on the civilians, the German high command announced today.

Wellington, N. Z., July 3.—(P)—Prime Minister Peter Fraser announced today that Maj. Gen. Sir Bernard Freyberg, commander of New Zealand forces in the Middle East, has been slightly wounded in the neck by a shell splinter.

Melbourne, July 3.—(P)—Australian celebrations of American Independence Day began today with an official luncheon arranged by the Australian-American Cooperation Movement and a rally of 1,600 school children.

Tunis, July 3.—(P)—Fourteen persons, including five children in swimming, have been killed by floating mines in Tunisian waters, authorities announced today.

(Turn to Page Nine)

Nation Prepared for Quiet Holiday

SCRAP OVER FARM BILL IS NOT SETTLED

President Steps Into Controversy to Assail "Pressure Group Tactics" Used by Foes

SENDS LEADERS LETTER

Washington, July 3.—(P)—President Roosevelt stepped into the congressional scrap over the deadlocked agriculture appropriations bill today to assail "pressure group tactics" and declare that the only real issue involved was "whether the government should be free to use its feed resources to produce food for wartime effort."

He strongly supported the administration's demand that Congress authorize sale of 125,000,000 bushels of wheat for feeding purposes at prices under parity.

Mr. Roosevelt gave his views in a letter to leaders of seven farm, labor and religious organizations, who had written to him June 20 in behalf of the wheat proposal and in support of larger funds for the farm security administration.

Informed of the president's expressions, Chairman Cannon (D-Mo.) of the house appropriations committee promptly said that "the only real issue is whether the principle of parity guaranteed the farmer by legislation will be maintained."

"The farmer," Cannon told reporters, "is producing a greater amount of foodstuffs than ever before in the history of the nation and at a cost which is the lowest percentage of consumer income ever paid by the consumer for food in the history of America."

"The farmer works longer hours than any other group, is producing more efficiently than any other group and is paid the lowest wage of these groups. The farmer is the only group accepting voluntarily limitations of his wages, price and income while everybody else is asking more and more. The farmer works longer hours and is doing a more satisfactory job than anybody else and is receiving less payment than anybody else."

"The American people will support the underdog on this issue."

The farm appropriation bill has been firmly deadlocked because of inability of the senate and house to agree on selling wheat for feeding livestock.

The presidential letter went to James G. Patton, president of the National Farmers' Union; Murray Lincoln, executive secretary of the

Slow Sale Of Auto Stamps Is Disturbing

Treasury Officials Consider Various Methods of Enforcing the Levy

FEW ARRESTS ARE MADE

Washington, July 3.—(P)—Indications that large numbers of automobile owners were staying away from the \$5 federal use tax stamp window sent treasury officials into a huddle today over various proposed methods of enforcing the levy.

The first auto stickers, which have been required since Feb. 1, expired Tuesday night, but scattered reports indicate "exceptionally poor" sales of the new stamps covering the fiscal year starting July 1. On a proportionate basis, the first stickers cost \$2.09.

Technically, persons who do not show the stamps on their windshields are liable to a fine of \$24 or a jail term of 30 days. Actually, the treasury has no adequate funds to police the millions of cars. A few arrests were made because of failure to exhibit the first sticker, but the treasury has no reports of anyone going to jail for the offense.

A stab at rigid enforcement in the east was made recently when the treasury got the Office of Price Administration to require motorists to report the serial numbers of their tax stamps before obtaining gasoline ration books.

(Turn to Page Nine)

Appropriation Bill Is Signed By President

Washington, July 3.—(P)—President Roosevelt has signed into law a vast \$42,820,000,000 appropriation bill for the war department, containing funds for thousands of new planes, tanks and guns and money to equip an army of 4,500,000 men by next July 1.

Congressional action on the big measure—the biggest in history—was completed by the senate and house two days ago in less than 35 minutes. The house had passed it several weeks ago and the senate disposed of the measure with 31 minutes of debate. A little later the house adopted minor Senate amendments.

33 Are Lost In Latest Sinking

By the Associated Press

The sinking of another United Nations vessel—this time taking the lives of 33 of its 45-man crew—was disclosed today by the navy, raising to 333 the unofficial Associated Press tabulation of sinkings in the western Atlantic.

The 14 survivors of the torpedoing of a medium-sized British cargo ship said 35 either burned to death in their bunks or lost their lives when two lifeboats were destroyed by fire. The survivors, who got clear in another lifeboat, said a submarine fired the ship with two torpedoes in the Gulf of Mexico last Monday.

Meanwhile, the navy announced that British and Canadian warships had joined with U. S. vessels in an intensified campaign against submarine depredations in American waters.

Factories On Defense To Operate

First War-Time Independence Day Since 1918 Will Be Safe and Sane With Plants Humming

FIREWORKS ABANDONED

By the Associated Press

A nation fighting to protect the freedom it won in other wars celebrates tomorrow its first wartime Fourth of July in a quarter-century under conditions that may make it really "safe and sane."

Most war factories will hum on, many fireworks have been abandoned and, on the populous eastern seaboard gasoline rationing will keep the greater part of the area's 10,000,000 motorists off the highways.

Army warnings that fireworks displays and large gatherings might present opportunities for token air raids and for saboteurs and actual bans on such celebrations on the east and west coasts, as well as the Gulf states, indicated that those areas would observe the holiday quietly.

In the nation's capital, Washington's annual municipal fireworks display was cancelled and it was announced that work would go on in all government offices connected with the war effort.

Nearly every Pennsylvania community has scheduled Independence Day programs and parades for tomorrow and, with the gasoline shortage cutting down on customary holiday motoring, the demonstrations were expected to be better attended than in any year of the last quarter-century.

While motoring is expected to be sharply reduced, railroads and bus companies anticipate peak loads on their lines beginning today and continuing through the long Fourth of July weekend.

At the same time, state officials expected heavy traffic on the highways.

(Turn to Page Nine)

GERMANY PLANS FOR BELGIUM INVASION

London, July 3.—(P)—Preparing for an invasion of Belgium, German authorities, the official Belgian News Agency reported today, have ordered all Belgians to go to their homes and close all doors and windows when the alarm sounds and have issued emergency orders to their railway, civil and economic staffs in Belgian coastal areas to get back home as best they can when the Allies strike.

Court to Fix Sentence in Treason Case

BY PAUL M. CHANDLER

Detroit, July 3.—(P)—German-born Max Stephan sat in a prison cell today convicted of the highest crime in the land—treason—while Federal Judge Arthur J. Tuttle pondered the punishment, which could be execution.

Judge Tuttle promised sentence "very shortly" after a jury yesterday finished one hour and 25 minutes of deliberation with the declaration "we find the defendant guilty as charged."

Stephan, a naturalized citizen who was accused of 12 overt acts of assistance to a fleeing German war prisoner, met the verdict with the same cold expression which he had adopted on his first entrance

(Turn to Page Seven)

Casualties In Navy Are 886

Washington, July 3.—(P)—Casualties of the United States naval forces reported to next-of-kin by the navy department during the period June 7-17, inclusive, were announced today as 886 officers and men.

The 190 dead, 54 wounded and 642 missing which made up this total included personnel of the navy, coast guard and marine corps and raised to approximately 11,000 the number of casualties reported by the navy since the war started.

Most of the casualties resulted from direct action with the enemy, a statement accompanying this sixth navy casualty list of the war said, but some of the names given out were of men lost in accidents at sea or in the air while on duty directly connected with war operations.

Men With Minor Defects May Be Inducted After August 1

Change in Physical Requirements Is Announced By the Army Today

FOR VOCATIONAL DUTY

Washington, July 3.—(P)—The army announced intention today of starting the induction of regular quotas of men placed in the deferred 1-B selective service class because of minor physical defects.

Beginning August 1, men with only one eye or complete deafness in one ear, among others, will be inducted for limited military service, provided they otherwise meet requirements.

They will be assigned to duty with corps area service commands and the war department overhead organization, and thereby release an almost equal number of fully qualified soldiers for service with task forces.

Induction, under the new standards, "will be limited to those with minor physical defects who are able to bring to the army a useful vocation which was followed in civil life," the war department said.

Men found upon re-examination to be qualified for full military service will be inducted as 1-A registrants.

Among those now classified as 1-B who would be eligible under the new ruling for limited service status are men: Whose weight and chest circumference do not meet 1-A standards but do not fall in class 4; who have minimum 20-400 sight in one or both eyes if correctible with glasses to 20-40 in either eye; whose hearing in one or both ears is not less than 5-20, with complete deafness in one ear permitted if hearing in the other is 10-20 or better; who have insufficient teeth if the defect is correctible by dentures.

Harrisburg, July 3.—(P)—Pennsylvania took immediate steps today to call men with minor physical defects into limited military service.

(Turn to Page Nine)

Bremen Port Blasted Again By the R. A. F.

London, July 3.—(P)—The air ministry announced today that Bremen, German port attacked for three times in a week, was blasted overnight again by a powerful force of RAF bombers.

Thirteen raiders failed to return. Scores of Canadian pilots joined the British bombardiers in the attack on Bremen and said it was the "most satisfying" of recent raids.

Fires were burning so fiercely when they reached the target that it was like aiming at a patch of work quilt," they said.

Canadian gunners were reported to have shot down at least one of the German night fighters whose numbers were said to have been higher than during any previous raids.

(Turn to Page Seven)

State Joins National Drive To Save Fats for Explosives

Harrisburg, July 3.—(P)—Pennsylvania's local and county salvage committees will join a nation-wide program beginning Monday to conserve fats needed in the manufacture of explosives.

Announced goal is the sale, to local butchers, each month of between one and two pounds of waste cooking fats by each family.

"Trade channels have been set up to handle the flow of fats from the housewife through the local meat dealer to the rendering plants for processing," said Colley S. Baker, secretary of the state committee. "The meat dealers will weigh and buy waste fats from the housewife and sell them to the renderer."

MANPOWER LISTS WILL BE PUBLISHED

Rosters of Essential Civilian Activities and "Critical War Occupations" to Be Issued

LOCAL BOARD GUIDES

BY FRANCIS M. LE MAY

Washington, July 3.—(P)—War manpower sources said today that rosters of essential civilian activities and "critical war occupations" would be published about July 15 to establish a definite guide for military deferment.

The United States Employment Service is preparing the lists in collaboration with the War Production Board, the war, navy and agriculture departments, and with other government agencies, as a part of the general program to keep men with critical skills at their work benches.

By direction of Manpower Chairman Paul V. McNutt, copies of the lists will be sent to all local draft boards, and "to the extent required for the maintenance of essential activities, individuals who are engaged in essential occupations in essential activities" will be deferred from military service.

This does not mean, however, that every man of draft age working in one of the occupations listed will be automatically deferred, since the selective service act definitely prohibits "group" deferments.

Each man in such essential classifications, or his employer, must establish to the local board that his skill or service is necessary to the war effort according to the definitions of the manpower commission.

Draft boards now defer men engaged in critical work, but McNutt said "there are boards which defer too easily; there are boards which seem to regard it as a breach of patriotism to defer anybody for occupational reasons." The lists now being prepared are expected to set an emphatic pattern for deferments.

In war industries the lists are expected to embrace such skilled workers as denakens, machinists, toolmakers, ship fitters, ship carpenters and ship electricians, etc.; perhaps irreplaceable government workers, farmers, tradesmen and professional men.

"SHARE-RIDE" DRIVE DIRECTOR IS NAMED

Harrisburg, July 3.—(P)—Ralph W. Cummings, of Lancaster, was appointed today to direct Pennsylvania's "share-the-ride" program to conserve gasoline and tires.

The appointment was announced by Dr. A. C. Marts, executive director of the State Defense Council who said additional details would be made public later.

Cafe Owner in Paris Is Shot as a Reprisal

Vichy, Unoccupied France, July 3.—(P)—Two bicyclists shot and seriously wounded the woman manager of a Paris apartment house in an attack which police termed in reprisal for informing German authorities on subversive activities of a tenant, reports reaching here today said.

It was the first recorded shooting of a woman in the long series of assaults against pro-Nazi collaborationists.

French civil and German military law requires apartment house employees to report suspicious activities of tenants. Large rewards including money and extra food ration coupons have been offered by German officials for spying on individuals.

Additional reports from occupied France told of the arrest of 12 youths at Deziers in a raid on a clandestine print shop where anti-German leaflets and stickers were being turned out.

## Warren - Kane Bus Service Is Curtailed

As a result of an order by the Office of Defense Transportation in Washington, the West Ridge Transportation Company will in the future operate but one bus each way daily between Warren and Kane, with two buses on Sunday, it was announced today by E. C. Herman, traffic manager for the company.

The one round trip daily will leave Warren at 1:50 p. m. for Kane, with the return bus leaving Kane at 3:10 p. m.

Mr. Herman stated this morning that the change, which is effective Monday, is brought about by an ODT ruling that in cases where the passenger load on any trip does not equal 40 percent of the bus capacity, that trip must be eliminated. He said that a survey was held during the period from June 24 to 30, with the result that only one of the several trips came up to the requirement.

In addition to the one daily bus, there will be an extra round trip on Sundays, leaving Warren at 6 p. m. and leaving Kane at 7 p. m.

Mr. Herman said that when school starts in September, the bus company will operate sufficient buses to take care of transporting pupils.

The West Ridge Company has been operating four buses on this line each day, with an extra bus on Saturdays and Sundays.

## Quiet Fourth In Prospect For Borough

Residents of Warren and vicinity are preparing to celebrate the nation's birthday tomorrow in a very quiet manner, no public observance of the holiday being planned. A large percentage of the population probably will remain at home and those who do not will confine their traveling to short trips to lake and river cottages and resorts.

Most local industries will observe the holiday by giving their employees the day off, although some will work at least one shift tomorrow.

At the post office it was announced that because of war conditions, most services will be carried on the same as any other Saturday. There will be no delivery of mail in Warren borough and windows at the office will be open until 1:00 p. m. However, there will be no rural deliveries.

Because of the fact that the nation is at war, special emphasis is being placed on the display of the flag tomorrow. Every resident is urged to take this means of showing his patriotism.

Several cities in the section are planning celebrations tomorrow. A parade will be held at Titusville, with the Struthers-Wells Navy Band of Warren taking part. At Bradford a special air show is being sponsored by the McKean county defense council.

## TIMES TOPICS

### APPLY FOR LICENSE

An application for a marriage license has been filed with Register and Recorder O. E. Loper at the court house here by Kenneth George Cole and Margaret Magdalena Woodruff, both of Warren.

### LOCAL STUDENT PLEDGED

At the completion of the Pennsylvania State College's first summer pledging period, 329 men students, most of them freshmen, were pledged to membership in the college's 48 social fraternities. These included Melvin C. Greenwald, of 109 Willowby avenue, Warren, who was pledged to Phi Epsilon Pi.

### ERROR IN ITEM

A recent story on the new machine tool operation courses to be offered here beginning July 13th as part of the local defense training program inadvertently stated that applicants must be 18 years of age. It is explained that all applicants must be 18 years of age or over to be eligible for the course, and 60 years of age is the maximum.

### BANK CALL ISSUED

According to an Associated Press dispatch from Washington today, the comptroller of currency has issued a call for a statement of the condition of all national banks at the close of business Tuesday, June 30.

The request for condition reports was the usual midyear checkup by all federal banking agencies. Similar calls were issued by the Federal Reserve Board and the Federal Deposit Insurance Corporation. Altogether, approximately 13,460 banks, both national and state, were requested to file statements of their assets and liabilities.

### REFINING STILL EXPLODES

Philadelphia, July 3.—(P)—A refining still at the Gulf Oil Co. plant in south Philadelphia exploded Wednesday night and set fire to a quantity of crude oil and to an open refuse tank.

The roar of the explosion was heard over a wide area and brought five fire companies. The plant's own firemen controlled the blaze. No one was reported injured.

The name "Keepsake" is an assurance of Quality and Value based on half a century's experience in selecting diamonds.

MARLENE DIETRICH AND RANDOLPH SCOTT IN "THE SPOILERS" AT LIBRARY THEATRE TODAY & SAT.

Heralded as one of the most memorable pictures of screen history and based on the best of Rex Beach's best-seller books, "The Spoilers" comes to the Library Theatre today and Saturday.

The raw, teening saga of the Klondike co-stars Marlene Dietrich, Randolph Scott and John Wayne. Produced for Universal by Frank Lloyd, maker of such screen smashes as "Muntiny on the Bounty" and the contemporary "Saboteur," the film backs its three-way contestation with a pretentious supporting cast. Among the featured players are Margaret Lindsay, who will have the opposite feminine lead; Harry Carey, top-liner of more than 300 pictures; Richard Barthelmess, in a come-back character lead, and William Farnum, star of the original "Spoilers."

## Quiet Fourth In Prospect For Borough

Residents of Warren and vicinity are preparing to celebrate the nation's birthday tomorrow in a very quiet manner, no public observance of the holiday being planned. A large percentage of the population probably will remain at home and those who do not will confine their traveling to short trips to lake and river cottages and resorts.

Most local industries will observe the holiday by giving their employees the day off, although some will work at least one shift tomorrow.

At the post office it was announced that because of war conditions, most services will be carried on the same as any other Saturday. There will be no delivery of mail in Warren borough and windows at the office will be open until 1:00 p. m. However, there will be no rural deliveries.

Because of the fact that the nation is at war, special emphasis is being placed on the display of the flag tomorrow. Every resident is urged to take this means of showing his patriotism.

Several cities in the section are planning celebrations tomorrow. A parade will be held at Titusville, with the Struthers-Wells Navy Band of Warren taking part. At Bradford a special air show is being sponsored by the McKean county defense council.

## Program To Serve Farm Placements

Forms for the designation of volunteer farm placement representatives are being distributed to many United States Employment offices in Pennsylvania this week, according to an announcement today by Mr. Levine, manager of the Warren office of the U. S. Employment Service at 225 Pennsylvania avenue, west.

The volunteer farm placement representative plan is designed to bring the services of United States employment offices closer to farmers in outlying communities which may not previously have had direct access to the facilities of this agency, Mr. Levine explained.

"A farm placement section, set up especially to serve farm workers seeking jobs and farm employers seeking labor, is in operation in the U. S. Employment Service in every state and in every local office," Mr. Levine pointed out.

"The activities are being supplemented in many communities by voluntary assistants such as community committeemen of the U. S. Department of Agriculture War Boards, by local farm labor committees, and others. Where it is necessary, our service to farm workers and employers will be further extended through the designation of a volunteer farm placement representative in the community. This volunteer representative will receive no pay for his services and will charge no fee to either worker or employer, but will contribute his assistance as a public-spirited member of the community and in the interests of the Food for Victory Program."

Further illustrating the continuous efforts of the U. S. Employment Service to expand its facilities for filling farm jobs, Mr. Levine cited the arrangement made with a large cannery whose field men, visiting farmers to check an estimated crop yield and labor requirements for harvesting, are carrying with them Employment Service forms to be filled out and forwarded to the nearest local U. S. Employment office when they discover a farmer who will be in need of extra help. Every means possible will be used by the Employment Service to assist the farmer in successfully meeting the goals of the Food for Victory Program, Levine declared.

A pygmy tribe of human beings was discovered in a mountainous region of Annam, French Indo-China, in 1935.

## Directors Of Hospital Are Elected Here

Seven members of the Warren General Hospital board of directors were elected for three-year terms at the annual meeting held last night. They were Mrs. E. H. Ley, H. D. Hubbs, Allen Gibson, Dr. Paul B. Stewart, H. N. Elquist, A. E. Kinney and Peter E. Nelson.

The meeting was attended, either in person or by proxy, by more than 70 members. Mr. Alexander's report, covering the period from June 1, 1941, to the same date in 1942, outlined some of the difficulties under which the institution has been operating within the past months.

Serious losses in hospital staff, doctors, nurses and non-professional employees have presented many trials in rendering full and satisfactory service, but the hospital head paid fine tribute to the splendid team work of the staff, valuable help rendered by the Red Cross Nurse's Aide Corps and that of the Warren General Hospital Alumni Association.

A brighter side of the picture was depicted in report of additions, replacements and improvements which have placed the hospital plant and equipment in the best of condition they have ever been. He showed that the officials, by forecasting the difficulty of and in many instances the impossibility of procuring many necessary items of hospital supplies, approximately \$6,000 of additional supplies and instruments, over and above normal requirements, were bought, paid for and placed in stock by the end of the fiscal year.

The hospital kitchen was rearranged, painted and a large amount of new equipment added at a total cost of more than \$6,000. New boilers and hot water heaters came to over \$2,000; new and important x-ray machines and equipment were added and that department rearranged at a cost of approximately \$18,000. The new elevator in the maternity building has been paid for in the year, together with new and modern furniture for the new private and semi-private rooms. Additions in furniture, equipment and fixtures have amounted to over \$38,000 and additions to the various buildings to approximately \$6,000, making total additions to fixed assets of over \$44,000.

Contributions were gratefully acknowledged, including presentation by the Women's Auxiliary of one complete new oxygen unit.

## At Library Theatre

RETURN OF A HERO—Gary Cooper as "Sergeant York" is welcomed back home after his heroic war exploits, by lovely Joan Leslie, as Gracie Williams, the girl who later became York's wife. "Sergeant York" is scheduled to open Sunday, Monday, Tuesday at the Library Theatre.

## Deaths Last Night

By the Associated Press  
Tallahassee, Fla.—Mrs. Susan Bradford Eppes, 96, who wrote two books on the old south after she was 75; granddaughter of John Branch, governor of North Carolina and territorial governor of Florida.

New York—Lucien Franck, 87, purchasing agent of the New York Times for the last 29 years.

Milwaukee—Joseph A. Domachowski, 69, president of the Polish Association of America for 24 years.

New York—Dr. Charles Fleischer, 70, rabbi, editor and radio commentator.

Dodos became extinct in less than 100 years after their discovery.

Other equipment, books and magazines, Christmas gifts for hospital help and substantial assistance in sewing.

## Officers Are Selected by Council Here

At the regular meeting of Warren Council, Knights of Columbus, held last evening in the council rooms, Second avenue, Dr. J. T. Valone was re-elected grand knight for the coming year. This will mark his fifth year of service in that position.

Other officers elected are: Deputy grand knight, Robert J. Haberman; chancellor, Dr. J. G. Guin-ta; warden, Ralph Pasquino; recording secretary, A. J. Sealise; advocate, Sam Gerardi; trustee, H. R. Henderson; outside guard, Joseph Musante; inside guard, Joseph Lucia. During the meeting it was announced that the following officers have been elected for the 1942-43 season of the K. of C. bowling league: President, Dr. J. D. Guin-ta; secretary, H. R. Henderson; treasurer, Sam Gerardi.

## Farmers Are Asked to Aid With Problem

Realizing that extra farm help can quickly become a serious problem if it is not available when wanted, the Warren County Farm Labor Committee is asking information now from farmers regarding their probable requirements this summer, according to W. L. Armitage, chairman of the Warren County War Board of the United States Department of Agriculture. The Farm Labor Committee was organized by the County War Board to help the U. S. Employment Service secure farm labor in order to maintain agricultural production.

Every farmer who will need extra help is asked to keep in touch with the farm labor committee. Contact may be made directly with the U. S. Employment Service, which is working in cooperation with the committee, or the farmer may advise his AAA Community Committeeman, who will handle the information.

"When, and how much extra help will be needed?" These are the questions the farmer should answer, Mr. Armitage said, in addition to giving his name, address and nearest telephone. The U. S. Employment Office will make contact with the farmer and secure any necessary information relative to the type of labor, wages, length of service needed, and other details. The farmer, on the other hand, will be able to secure information regarding labor from the employment office, or his farm labor committee.

Persons who are interested in getting a farm job are asked to register at the U. S. Employment Office, advise their local community committeeman, or notify the County Farm Labor Committee at the Agricultural Conservation Office.

Members of the County Farm Labor Committee are A. H. Bradley, J. L. Connelly, C. F. H. Wuesthoff, H. J. Long, E. G. Brown.

Names of community AAA committeemen in this territory are as follows: N. E. Dodd, Hubert L. Johnson, Mike Zurkan, Ray Gruber, M. M. Clendening, Carl G. Peterson, D. L. McGuire, Leon D. Whiteley, Charles F. Camp, A. L. Brown, John F. Schuler.

## ANCIENT TORTOISE

The giant tortoise of Mauritius spent 160 years on the island before it was removed to England. The age of the reptile is unknown since it was of great size when brought to Mauritius from Aldabra.

## TIMES TOPICS

### CITIZENS' MEETING

The regular meeting of the Citizens' Hook and Ladder Company will be held at Central station at 8 p. m. Monday.

### IS IN HOSPITAL

Miss Grace Johnson, daughter of Mr. and Mrs. Leon Johnson, West Fifth avenue, submitted to an emergency operation for appendicitis at the Warren General Hospital last night.

### FLAGS ARE SAFE

Two American flags which were in the Clarion Hotel when it was swept by fire in January, 1941, have been recovered in almost perfect condition. They were buried—and yet protected—by debris in a corner of the basement.

### WAR CLOSES PLANT

The Louis Marx Toy Company at Erie has announced closing of its plant in compliance with a War Production Board order which pointed out metal used for toys is now needed in the war effort. The plant employed 450 women and 130 men. Company officials are seeking war contracts.

### EXPANSION PLANNED

A \$120,000 expansion and improvement program is under way at the Conneaut, Ohio, yards of the Nickel Plate Railroad, according to an Associated Press dispatch. Four miles of new track will be laid, new equipment and material will be installed, and storage yards will be improved.

### IS GUEST PREACHER

Rev. Luther Malmberg, dean at Thiel College in Greenville, will be guest speaker at the 11 a. m. worship service in the First Lutheran church on Sunday. Many times a visitor here, Dean Malmberg has many friends who will welcome this opportunity of hearing him again.

### RELIEF PAYMENTS

State Treasurer G. Harold Wagner reported that direct relief payments made to needy residents of Warren county during the week ended Thursday remain the same as those of the previous week. Payments for the week totaled \$108, which was \$187 lower than those of the comparable week of last year.

### WORKER INJURED

A 2,300-pound steel pan slipped from a magnetic crane and crushed the right leg of Michael Alessi, 30, of North East, at the Erie works of the General Electric Company, according to an Associated Press dispatch. His condition was reported fairly good at Hamot Hospital, where the leg was amputated yesterday.

### 75TH ANNIVERSARY

Mr. and Mrs. Samuel C. Parks, of Howard Siding, near Emporium, celebrated their 75th wedding anniversary yesterday. Among those present were four children, Mrs. Annie M. Clark, 72, of Erie; Charles H. Parks, 70, Niagara Falls, N. Y.; Mrs. Isabel Spangler, 65, of near Emporium; and Norman H. Parks, 61, of Johnsonburg. Parks is a Civil War veteran.

### ROTARY MEETING

At the weekly luncheon meeting of the Warren Rotary Club, to be held Monday noon at the Y. W. C. A., the new president, Dr. Leonard Rosenzweig, will be in charge and outline the program for the coming year. He will also give an account of the Rotary International convention held recently in Toronto.

### SEEKS BACK PAY

According to an Associated Press dispatch from Harrisburg, Martin C. McIntyre, of Bradford, has asked the Dauphin county court to compel the state to pay him salary he contended was owed him for the period between April 22, 1939, and January 16, 1940. McIntyre was dismissed as a junior interviewer for the Unemployment Compensation Bureau on February 7, 1939, after about a year's employment. He was re-hired January 16, 1940, after an appeal to the board of review. McIntyre told the court the board ordered compensation from time of dismissal to reinstatement but said he received only \$382.

### FROZEN EGGS

The Eskimos of northern Greenland freeze elder duck eggs solid and then eat them like apples. The eggs are about twice as large as chicken eggs.

## Youngsville Music Group Meeting Set

Youngsville, July 3.—A booster music meeting will be held Tuesday evening, July 7, at 7:00 p. m. in the high school auditorium. Everyone in the community interested in the promotion of musical activities of Youngsville is urged to be present. An interesting meeting is promised. At 6:30 p. m. Tuesday evening, preceding the booster meeting, also in the auditorium, an executive meeting will be held.

### GOING WEST

Mr. and Mrs. Alvin May and daughter, Miss Connie, left Wednesday afternoon by auto with trailer for Los Angeles, Calif., where they expect to make their home for a time. Mr. and Mrs. May have previously lived in California but have been for a little over a year local residents, as the parents of both Mr. and Mrs. May are living in Youngsville. They expect a companion car with Buffalo acquaintances to make the trip west with them.

### RETURNED FROM CANADA

Ernest Johnson, and John Carr, of Youngsville, and a former local resident, Clyde Moore, returned this week from a pleasant Canadian fishing trip.

### NEWS ABOUT TOWN

Guests at the home of Dr. and Mrs. R. H. Knapp are Mrs. Knapp's sister and niece, Mrs. William Hayter and Miss Isabelle Hayter, of Clinton, Mass.

Mr. and Mrs. C. O. Lauger, of Murray Hill, announce that they have a large raspberry crop almost ready for picking.

Miss Margaret Dyer left this week for a six weeks' course of post graduate work at Edinboro State Teachers College.

The ladies of the local Society of Christian Service report that they have completed a successful rummage sale in the Wigger Garage. More than a hundred dollars was cleared and they appreciate all who helped to make the sale successful.

The men's first aid class, which has not met for the past few weeks, will resume classes beginning Tuesday evening, July 7th, in the school building.

Mrs. Shaw, of Hickory, spent last week with Mrs. Nellie Behap. Some local folks have already been picking cherries though in some places the sour cherries are not yet ripe enough for picking. Recent guests of Mr. and Mrs. H. S. Canfield were Mr. and Mrs. S. T. Anderson, Mrs. S. R. Maxwell, of Tionesta, and Mrs. Adolph Nieman, of Greenville.

Friends of Earl Johnson, son of the former local Methodist pastor, and wife, Rev. and Mrs. T. H. Johnson, now of Erie, will be interested to know that Earl graduated from high school this season. A representation of the Methodist Youth Council from Youngsville expect to attend the institute in Mendville next week. (Turn to Page Five)

More than 600,000 pictures are taken annually by the amateur photographers of the United States in normal times.

## NUN DIES IN CHAPEL

Harrisburg, July 3.—(P)—Sister Mary Evangelist, 83, died Wednesday while mass was being said in Sisters of Mercy convent chapel. One of the oldest members of the order here, she was attached to St. Patrick's Cathedral parish for many years, instructing in music and serving as organist for the children's choir.

## BUYS \$80,000 BOND

Harrisburg, July 3.—(P)—G. Harold Wagner, state treasurer, has announced the purchase of \$50,000 in war savings bonds for the agricultural college land scrip fund, the sinking fund and the veterans' compensation sinking fund. Each of the funds now has \$100,000 in war savings bonds.

## Home Camp Is Conducted At Local "Y"

Plans have been completed for the first "home vacation camp" to be conducted by the Warren Y. M. C. A., starting July 6 and ending July 20, it was announced today by R. W. Reynolds, general secretary.

Because of tire rationing, probable fuel rationing and increased living expenses, it has been decided to dispense with the usual camp on Lake Erie near Brocton, N. Y., it was announced.

Activities of the home vacation camp will center around the local association building, with numerous special events planned for the two week period.

The daily program will open at 9:30 a. m. and close at 3:30 p. m. The campers will provide their own lunch each day. During the period there will be all-day hikes and all-night camping at the "Y".

The camp will be under the direction of Secretary Reynolds and E. L. Hasler, physical director, assisted by competent young men leaders. Applications for the camp may be made at the Y. M. C. A.

## Wardens Get Instructions At Gathering

At the first of a series of meetings planned by officials of the Warren County Council of Defense, about 75 local air raid wardens last night received information concerning the Warren control center and its operation.

The meeting, held at the control center, was in charge of the commander, F. W. Waite, who outlined to the wardens the method of reporting incidents during an air raid and the manner in which the calls are handled.

In addition to Mr. Waite, those present besides the wardens included A. L. Langdon, executive officer; Fire Chief D. G. Kropf, and other members of the control center staff, who demonstrated its operation.

During the evening it was stated that it is expected that operation of the control center from 8 a. m. to 10 p. m. daily will be started soon and that within a short time the center will be manned 24 hours a day.

A second group of air raid wardens will receive instructions at the control center next Friday evening.

### Spy Leader is Caught With 19 Associates

(From Page One)  
from Panama to British Honduras, has been cracked and the hunt is on for other enemy agents, Lieut. Gen. Frank Andrews, Caribbean defense commander, announced yesterday.

From night clubs and taxi dance halls through shipping offices and into the Panama Canal Zone, where trusted employees were discovered working for the enemy, the trail led to Belize, British Honduras, where a jungle spy leader, posing as a business man, directed operations.

The hunt began from a tip given by an American sea patrol plane which spotted a ship, identified as the La Plata, carrying oil drums to Belize.

The first phase of the hunt ended June 25, when 20 persons, including "the king," were taken into custody, in joint action by American and British authorities.

### Bremen Port Blasted Again By the R. A. F.

(From Page One)  
Nazi air fields in Belgium and the Netherlands were singled out as the targets of other raids and coastal command Hudson bombers attacked German shipping off the Dutch coast, it was announced.

(In view of recent estimates that losses in the night raids up on Germany ranged about four per cent, the announcement that 13 bombers failed to return would indicate about 325 planes were involved last night.)

### GARLAND

Garland, July 3.—Rosemarie Duch is in the Corry hospital, having undergone a recent appendectomy. She is doing nicely, her friends will be glad to learn.

Mrs. N. Thompson, who has spent the winter with her daughter, Ida N. Taylor, has gone back to her home in Pittsfield with her daughter, Myrtle Norman, who is at home for her summer vacation.

Miss Esther Anderson of Denver, Colo., is visiting friends and relatives in this vicinity. Miss Anderson is a daughter of the late Mr. and Mrs. John Anderson, who were former Pittsfield residents. Miss Anderson has not been back since she left for Denver sixteen years ago, and is being graciously received by her many friends and relatives here.

The lawn supper sponsored by the Woman's Auxiliary of the Presbyterian church was so well attended, many had to be turned away when the provisions ran out. It is to be hoped that later on some restitution can be made to those who purchased tickets and failed to dine. Grateful thanks go to all who helped in the success of the undertaking and also to those who came from out of town to help out in this much needed work.

The bridge over the Brokenstraw in Garland is now open to traffic and the old bridge is being torn down and disposed of. The new structure is very attractive with its sidewalk for pedestrians. It is now receiving a coat of paint.

Wild strawberries are very plentiful this year and are being gathered by residents in this vicinity.

The Merle Gibbons family have moved to Erie where Mr. Gibbons is employed.

Mrs. Ed Williams has returned from the Warren hospital where she underwent a minor operation. The Willing Workers held a delightful meeting at the home of Mrs. H. McConnell at Torpedo on Thursday afternoon. The occasion honored Mrs. F. Palmer's and Mrs. McConnell's birthdays.

### EAST HICKORY

East Hickory, July 3.—Mrs. D. R. Graham, of Warren, called on former neighbors here Sunday.

Recent callers at the home of Mrs. W. A. Kribbs were Mrs. Will Giespie, of Gallion, Ohio, Mrs. Jay Catlin, of Sheffield, and Mrs. Lulu Shaw and son Shirley, of Warren.

Mrs. George Kuntz, of Piquette, Pa., Mrs. C. C. Kuntz and Mrs. Russell Kuntz were recent Oil City shoppers.

Robert Henderson, of Meadville, spent several days at the Henderson home, returning Tuesday. While here he and Mrs. F. J. Henderson called at the J. F. home at Whig Hill and the C. L. Storer home near the route.

Mrs. England's mother, Mrs. Walters is seriously ill at the England home at East Hickory.

Frank Howe and Buddy Anderson, employed at Meadville, were with relatives here for the weekend.

Mr. and Mrs. Howard Middleton and Mrs. Earl Middleton and baby daughter, of Jamestown, Pa., have been spending several days with Mrs. Elizabeth Scandrett and with relatives at Union City. Mrs. Scandrett expects to return with them for an indefinite visit.

Mrs. John Nesbit and sister, Mrs. W. W. Wilt and niece Miss Jane Wilt, of Franklin, called recently at the Henderson home.

William Ansler, who was inducted into the service last week, is now located at Cumberland, Md. Miss Alice Louise Lee is visiting at the home of her grandparents, Mr. and Mrs. Fred Culbertson.

Miss Mary Howe is spending part of her vacation with her sister, Mrs. Gordon Hunter at Erie. Jack Clark, who was ill in camp, has been honorably discharged and has returned home.

Plentiful supplies of essential canned fruits, vegetables, fish, milk, and other necessary foods will be available despite reduction in use of tin cans. Luxury and specialty items, pet foods, and goods which do not need to be canned will have to find other kinds of packages.

as much anti-freeze solution as you use in your car every winter. A fighter plane needs 11 times

### Court to Fix Sentence in Treason Case

(From Page One)  
to the courtroom three days previously.

At Stephan's side was his wife, a constant companion during the trial. She gripped his elbow. Earlier, when Federal District Attorney John C. Lehr had called her husband a "black traitor" she had wept.

Government Attorney John W. Babcock said Stephan was the first man to be convicted of treason in the history of the United States. The possible penalties confronting the 49-year-old cafe operator range from five years imprisonment or \$10,000 fine, or both, to death on the gallows.

Stephan's attorney said there would be no appeal "unless the judge selects the death sentence."

The jury took two ballots, with one woman voting for acquittal on the first one. Six women and six men comprised the jury.

### BUSINESSMAN DIES

McMullen, Carbondale businessman and a widely known member of the Masonic fraternity in Pennsylvania, died Wednesday.

He was an officer or director in a number of northern Pennsylvania companies and was president of the Pocahontas Coal Company of West Virginia.

### SPORTS ROUNDUP

By HUGH S. FULLERTON, JR., Wide World Sports Columnist.  
New York, July 3.—Reminder: Tomorrow is Independence Day, traditionally given over to recreation and patriotic observance. . . . It also is USO Day, when spectators at sports events in many places will be asked to contribute, and the day when most tennis and golf clubs will hold Red Cross tournaments. . . . Get the idea? The famous battery of George Earnshaw and Mickey Cochran will be reunited when Mickey's Great Lakes navy players get a workout against Fort Custer, reinforced by army members of the all-star service squad, at Detroit tomorrow. . . . Fourteen Marquette footballers are working this summer in Milwaukee breweries. If that's the way to toughen up, they'll just grin and bear it.

**Short Sport Story**  
Last spring 20-year-old Bob Chesnes failed to make the grade as a pitcher with the San Francisco Seals and was farmed out to San Jose of the California League. . . . He didn't get much fielding support there and one day, right in the middle of a game, he stalked off the mound. . . . "I can play shortstop better than that," he growled, taking his place in the infield. . . . He did. Now he's regarded as a very promising short fielder.

**Service Dept.**  
Golfer Frankie Strafaci, now serving with the quartermaster's corps in Australia, writes home that he shot a 70 for his first round down under. . . . Lot of guys down there would like to do it with a machine gun. . . . Early in 1941 a full team of Mississippi

With the aid of good support from his teammates, Ed DeRosia turned in his second successive outstanding pitching exhibition last night in the Sunset League when he let Stoneham down with but three hits and two unearned runs as the Bennetts fell down into a cellar-place tie with "Rabbit" Swanson's State Hospital nine, winners of their second decision in the six first half games they played.

Five big markers in the first inning decided the issue, but after the first real ball game started with DeRosia limiting the Stoneham outfit, which opened the scoring with a single tally in the top half of the first on a hit and an error, to only two singles and only four men found their way to first base the rest of the route.

Ray Bennett was pounded for eight hits and eight runs, but only one of those markers was earned by the Hospital. Relieved at the start of the fifth inning by his son Craig, the game turned into a keen pitching duel which satisfied a fair-sized crowd that turned out to see the consolation contest.

Craig Bennett, one of the league's favorite players in the eyes of the fans, allowed but one hit in his four-inning relief role and was the best hurler on the field but his performance came too late to aid the losing fight offered by the Bennetts.

A make-shift lineup which was put together at the last minute by Manager Ray Bennett when some of his players, working in defense plants, couldn't make the contest, proved to be willing but committed too many misplays and the Hospital grabbed a quick edge which they never surrendered.

This evening the Eagles and Forge bring to a conclusion the first half program of the Sunset League, and while fans expect to see little trouble afforded the Irvine clouters, the contest may be a surprise inasmuch as the last time out found the Forge a much improved ball club from the nine original men who took the field at the start of the season.

Manager Louis Casses, Jr., announced today that either Bob Baker, if he can make tonight's game, or "Sparky" Pollock would draw the starting mound assignment while the Forge is expected to use either Hines or Gagliardi for the first three or four innings, at least.

The contest begins at 6:15 o'clock on Russell Field.

Monday evening the second half of the league opens with the Forge and Hospital meeting again, and a determined Hospital club is out to redeem lost prestige and carry off the Forge scalp. It should be a ball game, say the experts.

## SUNSET LOOP 2ND HALF TO OPEN MONDAY

With six games behind each of the four entries in this year's Sunset League except the Forge and Eagles, who play their first half encounter this evening, fans look to the second half program starting Monday for a closer and more interesting race as the battle for a spot in the championship series becomes more serious, what with three of the four teams so close together during the first half.

The Hospital and the Forge open the stretch drive Monday evening at six o'clock on Russell Field and it is anticipated that a large crowd will be on hand to watch these teams start the half rolling at a merry clip.

Out of a fielding slump which cost them three decisions during the first half, the Swansons have always been "jinxed" by the Forgers, hope to gain that first victory this time and break a spell which has cast on them over a three-year period.

Seven times the two teams have met since 1939, and the two present clubs, with about the ineptness, have battled five, with the Forge winning every decision.

The second half schedule:  
July 6—Hospital vs. Forge, 8—Eagles vs. Stoneham; 10—Forge vs. Stoneham; 13—Eagles vs. Hospital; 15—Stoneham vs. Hospital; 17—Forge vs. Eagles; 20—Forge vs. Hospital; 22—Stoneham vs. Eagles; 24—Stoneham vs. Forge; 27—Hospital vs. Eagles; 29—Hospital vs. Stoneham; 31—Eagles vs. Forge.

## Struthers In 22-2 Triumph Over S. of I. Crucial Series Today With Twin Bill on Tap Tomorrow

In a postponed first half contest played last evening on the west side diamond, Struthers-Wells, second placers during the first-half race, smothered Sons of Italy 22-2 as they pounded out 25 hits against Vito Greto over the nine-inning route.

Highlight of the contest was a 300-foot home run in the air, smacked into centerfield by Dick Driscoll for the winners, Massa and Coppola also hit for the circuit for Struthers.

## BANK SHOTS

BY FLOYD PASSINGER, Sports Editor

Famous last words . . . Ed Barrow, Yankee president: "Don't think we need to get excited about things yet; we're just in a slump right now, and I guess we'll get over it. Anyway, we always have." . . . A statement made June 30 . . . Wonder what he'll be able to say next Monday, after the Boston-New York series of three games. . . . So Ted Williams gets fined \$250 for loafing and sulking at the plate after fans role him in the Washington-Boston games July first. . . . Well, Ted, in the opinion of many, is better when he's loafing than many major leaguers trying their hardest to produce. . . . Wouldn't it be disappointing for the Sox if Williams would think again about the service, just when they're fighting to take advantage of a chance to trip up the Yankees and claim the American League lead? . . . The moody Williams is just liable to come up with something like that, too. . . . The Detroit Tigers, with General Manager Jack Zeller as their mouthpiece, have come to bat with proposals to make the baseball season of 1943 shorter by two months and to abandon the southern spring training program. . . . Teams would prepare for the season in home parks during the period which now constitutes the first month of the playing schedule. . . . Under Zeller's plan, the season would also end a month earlier. . . . Slender Tommy Hughes has won three games for the Phils and Ernie Koy has been responsible for each victory. . . . He's provided the hits to give the Phils and Tommy the needed margin in each game.

Corporal Merrill "Nip" Hulings writes us from MacDill Field, Tampa, Fla., enclosing a picture of a few speckled trout he caught in Florida waters recently. . . . All in all, he says he caught 53 speckled trout, ranging from one and one-half to three pounds each, in three hours and explains that it is not unusual in that part of the country. . . . He expects to be stationed in the near future in the famous Boca Grande Pass, near Venus, Fla., where the Silver Kings live in abundance, the greatest sporting fish about which a word was ever written, according to many authorities. . . . A headline says that the Pirates will bleed. . . . Here we thought they were already anemic. . . . Anyhow, the story goes on to explain that they've signed up to contribute a pint of blood, each, to the Red Cross blood bank. . . . At the age of 39, Babe Herman, Hollywood first baseman and former National League star, is leading the coast league at bat. . . . In all cities where the Great Lakes Naval Training Station baseball team has played this season Navy enlistments have increased 15 to 60 percent. . . . If the war continues into 1943, there will be no professional baseball in the nation, says J. Alvin Gardner, president of the Texas League—and thus the opportunity will be offered to put the game on a solid basis before its resumption. . . . Well, maybe so, but in the eyes of this agent, baseball, as organized today, is a powerful institution and will continue to be as long as one league remains. . . . Moreover, crowds haven't dropped off badly this year, and there will still be a few players scattered around willing and able to play ball next year, even though a large percentage of this year's players will be in the army by then, if this world shindig isn't over by '43.

bull during which Manager Joe Cronin fined slugger Ted Williams \$250 and lectured him in front of the entire club for loafing. . . . The Sox have won 20 of their 24 games and with Williams' unsimulacrumed chastened and ready to make his bat do his talking, they may add additional bruises to the already battered world champions, who have lost 11 of 17 games since leaving New York nearly three weeks ago. Boston already has won five out of eight games from the Yanks this season. . . . If New York is able to win the series, though, the champs may be hard to head. On this date a year ago they had precisely the same lead they now hold—three games—and won in a romp. . . . The Cleveland Indians and Detroit Tigers both took advantage of the idleness of New York and Boston yesterday to tighten the boundaries of the first division. (Turn to Page Ten)

## Stewart and Creal Share Golf Honors

Tim Creal and Dr. Paul Stewart tied yesterday for honors in the fifth Calcutta tournament of the season at the Conewango Valley Country Club, the former shooting a 37 with a handicap of two, giving him a net 35, and Stewart shooting 43, but having a handicap of eight to share first place. . . . The winners were owned by Dr. Harold C. Warren and Marshall Parshall, respectively. . . . In the two-ball best-ball tournament now in its second round at the club, lower bracket matches played this week resulted in Parshall and Dr. Stewart defeating Neil MacDonald and Harry Bittenbender, 6 and 4, and Al Mitchell and Bill Rice trimming Chuck Blackman and Todd Siggins, 2 and 1.

The upper bracket in the tournament has yet to complete its second round matches, the deadline for the playing of these being Sunday evening. . . . Tomorrow club members will enjoy a mixed-foursome tournament of 18 holes as part of their Fourth of July celebration. . . . Icebergs have been known to take as long as 200 years to melt.

## Always Popular Favorites of Make Believe Land

Featured are three ingredients that must predominate a good circus performance which is demonstrated by pretty Miss June Arley the lovely clowness represented by the comical Eddie Raymond, who heads the conclave of funsters and Frieda, who is but one of the deluge of performing elephants, and all three—pretty girls, countless funny fellows and oodles of these ponderous creatures—will be seen in the all-new Wallace Bros. Wild Animal Circus in Warren at the brewery show grounds on Friday, July 10, when the big tops are erected for afternoon and evening performances.

## SECOND HALF PROGRAM SET IN CITY LOOP

The second half schedule for the City Softball League, with an extra round added making a total of 24 games on deck before the season closes August 13 when arrangements will be made for the annual championship series between the two top clubs, was released today.

The circuit opens second half action Monday evening with the first of the following games being played at that time:

July 6—Recreation Center vs. Struthers-Wells; 7—Sons of Italy vs. Knights of Columbus; 8—S. W. vs. S. I.; 9—K. C. vs. Rec. Center; 13—K. C. vs. S.-W.; 14—S. I. vs. Rec. Center; 15—S.-W. vs. Rec. Center; 16—S. I. vs. K. C.; 20—S.-W. vs. S. I.; 21—Rec. Center vs. K. C.; 22—S.-W. vs. K. C.; 23—Rec. Center vs. S. I.; 27—Rec. Center vs. S.-W.; 28—K. C. vs. S. I.; 29—S.-W. vs. S. I.; 30—K. C. vs. Rec. Center.

August 3—K. C. vs. S.-W.; 4—S. I. vs. Rec. Center; 5—S.-W. vs. Rec. Center; 6—K. C. vs. S. I.; 10—S. I. vs. S.-W.; 11—Rec. Center vs. K. C.; 12—S.-W. vs. K. C.; 13—Rec. Center vs. S. I.

Manager "Emmy" Morrison did not make public his choice for a starting moundman for tomorrow's game at Irvine, but any one of the Forge mound corps members may be asked to take the hill at the start.

The chore may easily fall on Freddie Gagliardi or Bill Caffery or possibly "Diz" Hines, as an evening choice will have to be made of one of this trio also.

For the Merchants, it probably will be Russ Cassett, though imported Mike Popovich, the Erie star, may get the honor of serving "em."

The National Forge and Ordnance employees' band which was

unable to play the scheduled concert last Sunday, will be on hand tomorrow to pay a concert between 3:30 and four o'clock, before the start of the contest.

The teams seem evenly matched two fine ball clubs—and if that is any measure for predicting a crowd, Wilder Field should be jammed tomorrow afternoon at four o'clock.

The Corry Merchants, strong semi-pro aggregation which has been hanging up a remarkable string of victories under the lights at Loveland Park, Corry, is going to invade Wilder Field for an afternoon baseball game with the Forge, and it is expected to catch the fans' fancy without trouble.

Many of the sports following public have been asking for this match for some time, and they may now realize their dreams, but not only once tomorrow, for in the evening, at nine o'clock, the teams play a second game at Corry under the mazdas.

Manager "Emmy" Morrison did not make public his choice for a starting moundman for tomorrow's game at Irvine, but any one of the Forge mound corps members may be asked to take the hill at the start.

At Belgorod the Germans were reported thrown back to their original starting place by the fierce resistance of Soviet artillery and infantry supported by tanks and planes.

German losses in both areas were described as "extremely heavy."

Germany's claim to Sevastopol, the Crimean fortress city, was still officially ignored, although Soviet dispatches said the Russians were outnumbered 15-to-one and the situation was tense.

### FIRE DESTROYS WAR PRODUCTION PLANT

Philadelphia, July 3.—(P)—Fire followed by explosions destroyed the war production plant of Hagin Frith and Sons early today in suburban Abington township.

Night shift employees were at lunch shortly after midnight when the blaze started in the acre-square plant, Hagin Frith, the owner, said. No one was reported injured.

The explosions were said to have been caused by chemicals in the company's work.

### GRIPSHOLM AT RIO

Rio De Janeiro, July 3.—(P)—The Swedish ship Gripsholm, with Japanese diplomats and nationals from the United States, arrived here last night to pick up 409 Japanese from Brazil and Paraguay before proceeding to Portuguese East Africa for the exchange of Americans from Japanese territory.

Night shift employees were at lunch shortly after midnight when the blaze started in the acre-square plant, Hagin Frith, the owner, said. No one was reported injured.

The explosions were said to have been caused by chemicals in the company's work.

### New Battles Erupt Along Soviet Front

(From Page One)

pol region of the Crimea the communists said that 50,000 prisoners had been taken at Sevastopol and that 21 tanks, 503 field guns, 662 grenade throwers and other war material had been captured or destroyed.

To the south, the new German thrusts were in the Belgorod and Volchansk sectors, 50 to 35 miles north and northeast of Kharkov.

At these points, roughly midway in the battle line from Kursk to Kupyansk, the Germans were admitted to hold numerical superiority. Before Volchansk the Germans were acknowledged to have broken through temporarily at some points with small groups of tanks.

Red Star said they had made no real gains, however, being exterminated or driven back to their previous positions.

At Belgorod the Germans were reported thrown back to their original starting place by the fierce resistance of Soviet artillery and infantry supported by tanks and planes.

German losses in both areas were described as "extremely heavy."

Germany's claim to Sevastopol, the Crimean fortress city, was still officially ignored, although Soviet dispatches said the Russians were outnumbered 15-to-one and the situation was tense.

### WAR BULLETINS

(From Page One)  
Berlin (From German Broadcasts), July 3.—(P)—The Transocean News Agency said today the German and Italian governments had published "a solemn declaration stating that they will respect and insure the independence and sovereignty of Egypt."

London, July 3.—(P)—The British director of anti-submarine warfare—not otherwise identified—made a recent trip to the United States to advise the U. S. navy on means of combating the U-boat menace in U. S. waters, it was disclosed today.

Chungking, July 3.—(P)—The Chinese high command acknowledged today the Japanese capture of Hwang, important highway city in Kiansi province, 80 miles south of Nanchang.

Berlin (From German Broadcasts), July 3.—(P)—Prague newspapers published today a decree lifting the state of siege imposed in the Bohemia-Moravia protectorate following the assassination of Reinhard Heydrich.

London, July 3.—(P)—The British cruiser Hermione was lost in recent Mediterranean convoy operations, it was announced officially today.

### Scrap Over Farm Bill is Not Settled

(From Page One)

Ohio Farm Bureau Federation, William Green, president of the American Federation of Labor; Philip Murray, president of the CIO; J. G. Lohrman, executive secretary of the American Railway Labor Executives Association; L. G. Liggett, executive secretary of the National Catholic Rural Life Association; and Benson Y. Landis, of the Federal Council of Churches.

They had addressed a joint letter to the president on June 20 in which they noted that he had asked a \$293,598,000 appropriation for the rehabilitation and other programs of the farm security administration, whereas the senate had voted only \$222,800,000, and the house only \$127,070,000.

They said the house figure "violates any hope that hundreds of thousands of family-type and small working farmers now under-employed, may be given facilities fully to utilize their labor in all-out production of essential foods."

They contended that the house, in its votes on the FSA appropriation and the grain-feeding proposal, had heeded arguments of "certain corporate and speculative farm interests."

War food production programs faced a disruption today as congress went into a recess until Monday without acting on the agriculture department's \$680,000,000 appropriation bill.

Washington, July 3.—(P)—President Roosevelt asked today that farmers begin immediately to pay off their debts, mortgages and other obligations, so as "to avoid the unnecessary hardships such as were experienced by farmers and others during and following the first World War."

Riverhead, N. Y., July 3.—(P)—Mrs. Edith Reichert, 29-year-old Brooklyn housewife who was acquitted of the "mercy killing" of her insane brother, has been ordered sent to an asylum herself.

Suffolk County Judge L. Barron Hill directed that she be committed to Mattawan State Hospital for the criminally insane although psychiatrists for both the prosecution and the defense agreed during her trial that she is now sane.

Mrs. Reichert was exonerated Wednesday of first-degree murder charges by a Suffolk county jury "by reason of legal insanity" at the time she shot her brother, George Horne, 26, with a sawed-off rifle last Dec. 3. The shooting took place in a hospital visiting room.

Mrs. Reichert was exonerated Wednesday of first-degree murder charges by a Suffolk county jury "by reason of legal insanity" at the time she shot her brother, George Horne, 26, with a sawed-off rifle last Dec. 3. The shooting took place in a hospital visiting room.

## DISTINGUISHED SERVICE

## Last-Fling Drivers To Jam Highways of Nation Saturday

A parade of last-thing drivers will jam the nation's highways over the Fourth of July, the National Safety Council predicted today in Chicago.

The council believes that the threat of nationwide gasoline rationing, plus the long holiday weekend, will prompt motorists by the thousands to make that trip while they still have the chance.

Added to these last-thing pleasure drivers will be a legion of war plant workers who will stay on the job this Fourth of July, many of whom will be driving to and from work.

Contrary to general expectations, the net result will be a traffic volume only slightly less than in normal years, in the Council's opinion.

Backing up its prediction, the Council is launching a nationwide campaign against accidents that will result from the heavy traffic and other recreational activities. The need for a safe celebration of

the Fourth is especially acute this year, since every accident wastes manpower, time and material vital to victory.

The Council urges motorists to forego all unnecessary driving over the holiday as a patriotic way of cooperating in the government's program to conserve tires and relieve congestion.

For those who feel they must use their cars, the Council recommends slower speeds and unusual caution, both to conserve rubber and to avoid accidents that are so costly this year to the individual and the war effort alike.

National organizations and government officials are joining with the Council in the campaign to "Put Victory First on the Fourth." The public is being asked to contribute to the safe celebration of the Independence Day holiday by being extra alert for the hazards of motoring; swimming, fireworks and other recreational activities; all the ingredients of the "accidents that help the Axis."

## TRIPLETS SIGN UP

Johnstown, Pa., July 3—(P.)—Triplets and twins registered here Tuesday for service with Uncle Sam.

The triplets, John, Sam and Paul Boratko, are 20. The twins, Robert and Bert Boratko, are 18. An older brother, Andrew, 29, joined the army last year. They are sons of John Boratko, a naturalized citizen who came to America from Czechoslovakia in 1926.

## DEFENSIVE PRECAUTION

Henry VII, through a decree, required every male, from the time he was 7 until he attained the age of 17, to practice with bow and arrow as a defense preparation.

## U. S. FARM POPULATION

Ninety-five per cent of the population of the United States lived on farms in 1790, while today it is only 25 per cent, according to figures of the U. S. Census Bureau.

## Yankees and Red Sox Begin Crucial Series

(From Page Eight)

The Indians completed a sweep of their four-game series with the Chicago White Sox last night with a 7-5 triumph before 29,000 fans who turned out at Comiskey Park for an Army-Navy relief affair that netted \$33,352.

Lefty Lovill (Chubby) Dean kept the Sox subdued on three hits for eight innings while the Tribe gave him a 7-1 lead on 13 hits, two by Dean himself, but Chicago rallied for four runs in the ninth and it took two relief hurlers, Joe Eving and Harry Eisenstat, to smother the fire.

This lifted Cleveland within 6½ games of the lead.

Detroit, in fourth place, edged up to 8½ games by beating the St. Louis Browns, 5-4. Big Al Benton obtained his fifth successive victory, but was staggering at the finish. The Browns nailed him for 12 hits, nine of them in the last four innings, and they had the tying and winning runs on base in the ninth before finally yielding.

The Tigers were limited to eight hits, but five of them produced four runs in the sixth inning to provide a cushion for Benton.

In the only game played in the National League the St. Louis Cardinals extended their winning streak to four games by beating the Pittsburgh Pirates, 3-1, on the five-hit hurling of John Beazley, who had a shutout till the ninth.

Bob Klinger held the Redbirds to one run for seven stanzas, but was forced out by two runs in the eighth.

## Marine Corps Recruiter To Visit Warren

A representative of the U. S. Marine Corps recruiting service will be in Warren next Tuesday to interview interested men who desire to enlist in the Marine Corps or Marine Corps Reserve.

Any man between the ages of 17 and 33 may apply. All applicants will be received with the same cordiality that they would expect of anyone in the position of an interviewer. No obligation is incurred by inquiring.

The representative here next Tuesday will be located at the post office. Inquiries also may be made in Erie at Room 8, U. S. Court House, Perry Square.

It was pointed out that men scheduled for induction in the army are still eligible for enlistment in the Marine Corps up to the time of their actual induction.

## Sports Roundup

(From Page Eight)

ready has about \$25,000 in the till for the Bucks' army-navy game next Thursday; and the Chicago all-star football game, which won't be played until Aug. 28, is over the \$50,000 mark. Ray Evans, all-big six football and basketball player from Kansas U., is keeping in shape pitching for a Lawrence Kas softball team. The last time out Ray pitched a no-hitter and socked two triples. "Marshall and Gilbert will not fight here next Monday night" headline in the Sacramento Bee. We thought Admiral Hasley and his boys had taken care of that several months ago.

## FEATHERED GUEST

Grove City, July 3—(P.)—Engineer John Bortford at the municipal electric plant has unusual company these days a carrier pigeon.

The pigeon, bearing the identification tag AV-40-SH-858, flew into the plant and made himself at home, despite the noisy surroundings. He watches workmen with an intent stare.
